Operation: Feed A Family

Assemblymember Juan Vargas and his district staff distributed food baskets to 862 low-income families on November 25th at the Webster Head Start Building in San Diego. This was part of his annual Thanksgiving turkey giveaway. The Assemblyman and his staff put together and handed out food baskets consisting of a frozen turkey, stuffing mix, celery and onions, canned vegetables, dessert, and a 2-liter bottle of Coca-Cola to local families.

Thanksgiving baskets are lined up to hand out to families.

This year's event was sponsored through the generosity and thoughtfulness of local businesses and representatives from the Otay Ranch Company, American Water Company, Arrow Market, Coast Citrus, Super Trading, Ja Jou Inc., Base Market, Road One Towing, and the Coca-Cola Bottling Company.

District staff and volunteers put together baskets at the Webster Head Start Building in San Diego.

"We have many things to be thankful for this year," stated Vargas. "It is very important to me that we help the families in my district share in the Holiday season with their loved ones."

Assemblymember Vargas and local community organizations have joined forces to produce this extraordinary holiday event for ten consecutive years.
